October Aquatic

Aqua Cardio/Endurance - An aquatic inspired class that is instructed at a higher intensity. Targets all major muscle groups, elevates heart rate while toning all muscle groups along with improving endurance and mobility.

Aqua Strength/Condition - An aquatic class that is conducted at a slower pace and designed to improve muscle strength/conditioning in all major muscle groups while improving flexibility.

Aqua Stretch - light work out with foam hand weights and noodles to stretch, loosen, and warm up the body.

Aqua Advanced - more intense paced class emphasizing CORE strengthening with foam hand weights and noodles.

Gentle Fitness - easy, gentle stretching designed to help improve flexibility of joints, strength, and mobility.

Aqua Zumba— An effective water-based workout that blends high-energy Zumba® moves with low-impact aqua fitness

All times listed are reserved for the aquatic classes and will be reserved for the full hour. Please respect our instructors and members posted time by not intruding unless participating.

Lane/Open swimming : If not previously listed on schedule; all other times in the pool is named LANE/OPEN SWIM time for members to workout at their discretion, if not with other members in a group setting.
